

Immerse Your Pain In His

If you are suffering and your suffering is such that it prevents all activity, remember the Mass.

In the Mass today as when he was on earth Jesus does not work or preach, he sacrifices himself out of love.

...suffering offered out of love, is the most powerful word, the one that penetrates heaven.

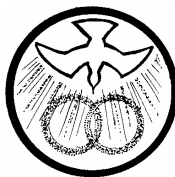

If you suffer immerse your pain in his; say your Mass; and if the world does not understand do not worry; it is enough that Jesus and Mary and the saints understand you.

Live with them, accept and offer your pain, like him, for the good of humankind. The Mass! His Mass and ours, too great to be understood.
