

### Inner Wealth

Apparently wealthy, but Zacchaeus felt very poor within. Inner wealth means peace of mind, self-worth, a meaning to life, the sense of going somewhere. Above all, being loved, values and respected. *Jesus looked at him*—and everything fell into place.

Zacchaeus ran ahead and climbed a tree to catch a glimpse of Jesus. What must I do to keep Jesus before my eyes? Is it in less television, better reading, an honest confession, commitment to a definite period of prayer, more time with the family.

The heartbeat of a Christian is measured by one's daily, personal relationship with Jesus. there is nothing to replace personal prayer.

Fr Silvester O'Flynn OFM Cap

**New Marriage Regulations**

New State Regulations regarding the celebration of marriage have just come into force. Among the changes are the following-

- **Couples** must now meet the Registrar of Marriages together in person at least three months before their wedding.
- **Couples**, at the start of the wedding ceremony, must make a verbal declaration before the priest that there is no civil impediment to their marriage. It is recommended practice that this declaration be made at the beginning of the wedding, when the bride & groom arrive at the sanctuary.
