

## Strength In Weakness

**Paul:** *Lord, take away my problem!*

**Jesus:** *Sorry, Paul, but you will have to live with this one. But my grace is enough for you; my power is at its best in weakness.*

Three times Paul had pleaded with the Lord to be healed. But he was given to understand that God's power may be manifest more in our weakness than in our talents. My weakness can serve to make space for God's grace to operate. God may not remove the problem but will grant the power to cope, even to grow stronger through it.
