

Love Is Our Creed

We believe in the goodness of human life and we believe in God the creator of all.

We believe in Jesus, God's own beloved; we believe in the power of his death and resurrection and that good will triumph over evil.

We believe in God's Spirit, living within and amongst us uniting us to Jesus and calling us to love.

We believe that we all share this call and that responding to it we can change the world.

We believe that where love is given and received we are already experiencing what will be our delight eternally.
