

Another Day

Awake in the morning and the first thing you do, is thank God for it ...This day is blessed by God, it is God's own and now let us go into it. You walk in this day as God's own messenger....

You are there to be the presence of the Lord God, the presence of Christ, the presence of the Spirit the presence of the Gospel - this is your function on this particular day.....

If you accept that this day... was chosen by God with His own hand then every person you meet is a gift of God, whether it is bitter or sweet, whether you like or dislike it. It is God's own gift to you, and if you take it that way, then you can face any situation.

Metropolitan Anthony Sourozh

"Comparing ourselves with others, desiring more and more, lead to dissatisfaction with what we have. In the end all can lost through overpowering greed."
