

Open the Door!

Jesus is there at our door,
knocking gently,
his hands full,
his heart overflowing;
he is bringing what is new.

He is knocking gently,
his voice is not loud.
"I would so like to come in
but there is no obligation,
no force, do not fear....."

Why don't we sinners open the
door?

We stand there,
one hand on the door:
'I'll open.. No, I won't open!'
There we stay,
trembling, fearful.

Nevertheless, Jesus the Lord
is knocking at our door
and has already pardoned us,
even before we open.

**Lord God of our fathers,
in Jesus you visit your troubled
people; grant that we may open
our doors to him, so that, in us &
through us, we may make all new
for the Church & the world today
& forever.**
