

Day for Life

'Day for Life' is celebrated yearly by the Catholic church in Ireland, Scotland and England and Wales. It is a day dedicated to celebrating the sacredness of life at every stage and in every condition. The theme this year is that of mental health.

*We thank you Lord
for the gift of life.*

*Help us to appreciate
the unique dignity
of every human person
and the individual contribution
they make to the world,
in fulfilment of the task
you give them.*

*Enable us by your grace
to promote their well-being,
serving you in one another
in a spirit of generosity,
through Christ Jesus Our Lord,
Amen.*

More Public Lighting

An additional five new ornamental lamp standards were erected by Mayo County Council in Attymass during the week, two at the church car park, two across from the church on the road towards Bonniconlon & one at the Old School.

The Development Assoc., which has been campaigning for better public lighting since 2002, is very pleased that a total of 15 ornamental lamp standards have been provided in the village in recent times.

The association wishes to thank

- All who fundraised for the local contribution & those who supported their efforts:
- The FAS workers who put in the ducting & bases for the lamp standards:
- The local county councillors who generously supported the project financially.

Pastoral Letter

The bishops of Ireland publish a short Pastoral Letter on Mental Health. Copies are available at the back of the church.

Well Done the Cluster Choir!

Two weeks ago the Cluster Choir, including the Attymass Choir, was invited back to Knock Shrine to sing at St Pio (Padre Pio) Pilgrimage, one of the busiest days of the year at the shrine.

Reports indicate that the Cluster Choir did themselves proud once again.

Mission Sunday

October is Mission Month. **Mission Sunday is on 19th Oct.** when a special collection is taken up. Last year our diocese contributed €44,350 to the missions, almost 20% more than the previous year. Attymass contributed €1,100, a 10% increase of 2006.
