

“To Have Seen Me  
is to  
Have Seen the Father”

The surest way to come to know what God is like is to keep our eyes on Jesus. He is the Word of God spoken in the language of a human life. Familiarity with the gospel lets us know what he said and did, how he responded to situations & what were his ideals.

Those who hand over their lives to Jesus in faith will think and act as he did. *Whoever believes in me will perform the same works as I do myself.*

The works of Jesus were confined to one country during his life on earth. These works have a greater spread nowadays through the worldwide reach of believers.
