

## Amen, Yes!

*When we say 'Amen' as we are about to receive we mean-*

*Amen, Yes, I believe. I believe this is the Lord. Help my unbelief.*

*Amen, Yes. I welcome the Lord, coming to me at this moment, coming to me intimately, personally.*

*Amen, Yes. I renew my commitment to the Lord, to his way, to the cross which he invite me to share with Him.*

*Amen, Yes. I promise to respond to his love for me, to radiate to others something of his love, his concern, his forgiveness.*

*Amen, Yes. I look forward to eternal communion with my God, with all the heavenly beings, with Mary and the blessed, and with all my loved ones in the light, happiness and peace of heaven.*

*Fr Sean Swayne*
