

Divine Mystery in Things

Love all God's creation
the whole of it,
every grain of sand of it.

Love every leaf and
every ray of God's light.
Love the animals,
love the plants,
love everything.

If you love everything,
you will perceive
the divine mystery in things.
Once you have perceived it,
you will begin
to comprehend it better
every day
and you will come at last
to love the world of nature
with an all-embracing love.

Fyodor Dostoevsky
