

## Shalom

*O Lord, our God,  
We know that in your eyes  
all people, whatever their  
colour or race, are equal  
before you: break down the  
hatred between peoples,  
especially hatred due to  
national differences.*

*We ask you to help those in  
whose hands are the various  
governments of the world.  
Reconcile them to one  
another, so that each may  
respect the rights of the  
other.  
We ask all this in the name  
of our Saviour, Jesus Christ.*

**The Wisdom  
of Pope Francis**

"Francis of Assisi  
for me is a man  
of poverty, a man  
who loved and  
protected creation.  
Right now our relations with  
Creation are not going very  
well."

**Ballaghaderreen**

is the focus parish for our prayer this week.

"There is a difference between saying prayers and praying. Saying prayers can simply be repeating words by rote, without giving them much thought - like reciting tables in school. Praying, on the other hand, involves concentrating on the words, allowing them to take root deep inside us. Praying is 'heart speaking to heart': we tell God what is in our hearts and we listen with our hearts for what He says to us".
