The Wisdom of Pope Francis

" A healthy family life requires frequent use of three phrases: "May I? Thank you, and I'm sorry" and "never, never, never end the day without making peace."

Praying for our Parishes

Tubbercurry is the focus parish of our prayers this week. Praying for Tubbercurry parish completes the second round our prayer for the parishes. In all, then, we have dedicated **forty six weeks** to praying for our diocese and each of its parishes.

On that rich foundation of faith, we are praying that the Lord will help us build a future of hope, a future where we will allow the Lord to draw us into a deeper relationship with him, where we will experience ever more fully the wonder of his love and become his disciples knowing the joy of faith and the delight of sharing the Good News of the Lord's amazing, passionate love for each one of us.

Mary, Mother of the Church, pray for us. St. Attracta, pray for us. St. Nathy, pray for us.
