

### The Sparkle of Love

Love and faith are more than 'box ticking.' We can keep all the rules, but if our lives have not got that spark of love and laughter, then we are not following the God of love but 'the great policeman in the sky'.

That sparkle of love is the ability to see beyond the rules, to glimpse a mystery that is greater than the universe, to glimpse the love of God beckoning us.

Love is the sparkle of the good news, the joy of being a disciple, but it is never the easy option.

Fr Thomas O'Loughlin
