

Thinking God's Way

God's way is not to see illness,
disability or confusion,
failure or mistakes,
as a waste,
but as a way to love;
for in the fragility of life
we discover
some of the deepest truths
about human life.

It is God's way to see the child
of God in everyone,
God's way to forgive & be
reconciled,
God's way to work for justice
& peace.
God's way to see,
in the weakness of death,
the strong promise of eternity.

God sees no waste in life
for in everything love can grow
& God can be found.
And that was the way for Jesus
who said
that the son of Man was to
suffer grievously
be put to death,
and on the third day rise again.
