

## Journey's End

We all get lost at times, confused by a maze of roads before us; driving round and round, not knowing where we are.

In Christ and his church we're never lost like that. Even death is not a dead end, but journey's end.

*Like someone who comes to his home, turns off the engine and the car lights, and walks up to the door of the house where his relatives, friends & love ones wait in light.*

Let's keep on the right road with Christ in this world, so as to reach that happy journey's end.

*Have patience with all things but first with yourself. Never confuse your mistakes with your value as a human being. You're a perfectly valuable, creative, worthwhile person simply because you exist. And no amount of triumphs & tribulations can ever change that.
