

## Faith In The Dawn

*Faith in the dawn  
rises from the faith that  
God is good and just.*

*When one believes this,  
one knows  
that the contradictions of life  
are neither final or ultimate.*

*One can walk  
through the dark night  
with the radiant conviction  
that all things work together  
for good  
for those that love God.*

*Even the most starless  
midnight  
May herald the dawn of some  
great fulfilment.*

Martin Luther King Jnr

## St. Patrick's Way

According to tradition St. Patrick, in the course of his missionary journeys, is said to have crossed the Moy at a point close to where Bonnifinglas Cemetery is now situated. The local Cemetery Group recently had a beautiful commemorative panel erected, adjacent to the crossing point. The members are most grateful to Coillte & their employees who constructed a very attractive stand & frame for the panel and who took such care when erecting the structure.
