

The Two Ways

“There are two very different ways: the way of life and the way of death!

The way of life is this:

First, you shall love the God who made you.

*Second, you shall love your neighbour as yourself
And the things you would not want someone to do to you,*

Do not do such things to one another.

So that we can carry out this way of life, this is how we train:

We must speak well of those who speak badly of us!

We must pray for our enemies!

And we must fast for those who persecute us.”

Didache 1:1-2
