

Joy and Love

In friendships and loves,
in the moments
of peace & harmony
among family and with friends,
there are glimpses of joy and love,
and we know that the human heart
is made for joy and love
that is everlasting.

Let's be thankful:

*for the joy and love of life,
for the joy and love of children,
of husbands, wives and family;
for the joy and love of friends,
of neighbour and of colleagues,
and for the joy and love
we shared with those who have
gone before us.*

Let's be hopeful
in times where all this is missing.

Let's be hopeful
that we will find joy again;
and let even the ache for joy &
love remind us of love & joy that
lasts forever:

The love and joy of God.

There is an urgent need for new volunteers to join the Water Scheme Committee to help maintain this vital service for the community. Think about volunteering, if only for a year or so.
