

No Remote Control!

God works through others
and through me to lead me
to a fuller and better life.

I believe that God has big
dreams for all of us and is
constantly inviting us to
choose -

freedom over fear,
generosity over greed,
compassion over comparison,
& service over selfishness.

As such I'm sure that God is
involved in all my decisions,
no matter how seemingly
trivial. But I'm also sure
that God is there plotting
to make me happy, so God is
not there with a divine
remote control but, instead,
gently invites us to greater
love.
